

**SUNY-Plattsburgh**  
**Transfer Application to Join a Fraternal Organization**

The college maintains that students must have a minimum GPA of 2.3 and have completed at least 12 credits at SUNY-Plattsburgh in order to be eligible to join, pledge or accept any form of membership in a fraternity or sorority. This guideline has been developed to ensure that students succeed academically.

The College will allow first semester transfer students to join if they complete this form and attach the following information before accepting membership in a fraternity or sorority:

- A copy of a transcript from the previous institution or the Curriculum Advising and Program Planning Report (CAPP);
- A letter or email from the students parent or guardian (if the student is under the age of 21) acknowledging that they approve of the student's decision to join a fraternal organization.

Waivers will not be granted for GPAs below 2.3.
