AN EXCELLENT EDUCATION
AN UNBEATABLE VALUE
AN AMAZING EXPERIENCE
FOR INTERNATIONAL STUDENTS
Friendly. Safe. Personal. Plattsburgh is a charming city that sits at the northern end of New York State – just an hour from Burlington, Vermont and Montreal, Canada. It’s a warm and inviting place to visit. And an even better place to study.

“It’s like a big family. You see people you know wherever you go.”

WHERE EXCEPTIONAL AND AFFORDABLE COME TOGETHER

What attracts someone to Plattsburgh? Why would students from more than 50 countries around the globe all decide to live, study, and interact at a small campus near the Adirondack Mountains?

First, it’s the academics. With excellent professors, small class sizes and a strong focus on personal attention, our students really thrive. You will challenge yourself here. You will work hard. And you will do it with the support and guidance of a faculty that is uniquely committed to helping each student succeed.

But that’s just part of the story. SUNY Plattsburgh also provides a highly affordable education. As part of the State University of New York – one of the largest university systems in the United States – we’re able to offer very reasonable tuition. And all international students are eligible to be considered for additional financial assistance as well.

Complete your degree at Plattsburgh, and you will be better prepared. For a career. For graduate school. For life.

SUNY Plattsburgh offers an exceptional Honors Program for the highly-motivated and academically-strong. Team up with fellow students and pursue research. Take part in seminars. Enhance your curriculum. Learn more at www.plattsburgh.edu/honors

It’s a fact: 95% of our students find a job or get into graduate school within six months of graduation.
COMFORTABLE & CONFIDENT FROM DAY ONE

From the moment you arrive at Plattsburgh, the International Student Services Office will work to make sure you feel right at home. Need help registering for classes? A CAMPUS CONNECTED

For food, we offer a variety of meal plan options. And there are 11 eateries located right on campus. So no matter what you are in the mood for, we probably have it here. We even have vegetarian and vegan options.
