GENERAL GUIDELINES FOR SUMMER FINANCIAL AID:

- Enroll in at least **6 credits** for the summer sessions.
  
  Exception: To participate in the Summer Federal Work-Study Program you do not need to take any summer courses.

- You must be a matriculated student and planning to attend in the Fall semester (unless graduating in August).

- You must meet Satisfactory Academic Progress (SAP) standards to qualify for Federal and State financial aid. Your SAP will be checked after final grades are posted for Spring. If you fail to meet the minimum standards you will not receive financial aid for the summer sessions. Students who fail SAP can apply for a private alternative loan or appeal the decision through the SAP Appeal Process. **IMPORTANT:** Summer Financial Aid is awarded before spring grades are posted. **If you fail SAP, the aid will be cancelled and you will be responsible for paying any balance due on your account.**

- To apply for Federal Student Loans you must complete the 2009-2010 FAFSA by June 30, 2010.

- To apply for the Federal Pell Grant you must complete the 2009-2010 FAFSA by June 30, 2010; you will also need to complete the 2010-2011 FAFSA if you have already used your 2009-2010 award.

- Typically financial aid funds do not arrive until after the summer program begins. If you are expecting a refund you need to be prepared to cover your personal and living expenses until that refund is available. **No Emergency Advances are issued for summer financial aid.**

- You must complete and submit the attached “Application for Summer Financial Aid” to be considered for any federal or state financial aid. This form must be received no later than one week before your summer courses end.

REQUIREMENTS FOR TAKING SUMMER COURSES AT A COLLEGE OTHER THAN PLATTSBURGH:

Because summer financial aid funds are not available until after the summer sessions have begun most colleges do not allow deferrals against summer financial aid. **You need to be prepared to pay for any coursework taken at another institution.**

To be considered for financial aid for courses taken at another institution, you must complete these additional steps for each institution you will be attending:

1) **Permission for Off-Campus Study** – Complete form with your academic advisor and submit to the Registrar’s Office.

2) **Authorization to Pay** – Complete this form and submit to the Financial Aid Office.

3) **Proof of Registration** – Submit a copy of your course registration at the other institution to the Financial Aid Office.

4) **Proof of Cost** – Submit a copy of your bill for tuition and fees at the other institution to the Financial Aid Office.
SPECIFIC FINANCIAL AID PROGRAM GUIDELINES:

A) Federal Work-Study Program
   * Enrollment in summer courses is not required unless you are graduating in August (must return in Fall).
   * You can request 15 or 30 hours per week. The program lasts for 10 summer weeks and pays $7.25 per hour.

B) Federal Pell Grant Program
   * You must be registered for at least 6 credits.
   * Your Fall 2009, Spring 2010, and Summer 2010 total earned credits must be >24.

C) Federal Direct Loan Program
   * You must have remaining eligibility from the 2009-2010 academic year.
   * You must be enrolled in at least 6 credits to receive a Federal Direct Loan. If you drop below 6 credits, your
     loan will be cancelled and all paid loan funds will be returned to the Direct Loan Program. You will be
     responsible for any resulting balance due on your account.

D) New York State Accelerated (Summer) TAP Grant Program
   * To qualify for Summer TAP, you must complete the 2010-2011 FAFSA and NYS TAP Applications.
   * TAP is awarded for only 8 semesters (10 semesters for EOP students). Unless you plan to graduate early, we do
     not recommend you use TAP for summer coursework as it will reduce the amount of your final TAP award.
   * You must have earned at least 24 credits (applicable to your degree) at Plattsburgh in 2009-2010 & been enrolled
     full-time in the Spring semester.
   * You must complete a minimum of 6 New York State tuition charged credits over the summer sessions.
   * Your Summer TAP Grant may be applied toward payment of summer tuition only if you have received an award
     certificate from New York State prior to paying for your summer tuition charges. The Summer TAP Program is
     based on the passing of the New York State budget, which in the past has happened as late as the end of August.

F) TEACH Grant
   * Teacher Education Assistance for College and Higher Education (TEACH) is awarded to undergraduate and
     graduate students who intend to teach in a high-need field in a public or private elementary or secondary school that
     serves students from low-income families. While this program is labeled a grant, it will convert into a loan with
     back interest if the recipient does not meet a 4-year service obligation within 8 years of graduation.
   * To qualify for a TEACH Grant you must have a FAFSA on file; be a US Citizen or Eligible Non-Citizen; be
     working on 1st Bachelor’s degree, or Masters; have a 3.25 GPA; be in an eligible major; sign the TEACH Grant
     Agreement to Serve (ATS).
CALCULATE YOUR SUMMER BUDGET

Use the following chart to help you calculate your summer expenses. Check the summer course schedule to confirm the length of your summer courses before completing this worksheet. Expenses shown are only estimates.
