VERIFICATION OF CHILD SUPPORT PAID FOR 2013-2014

STUDENT NAME: ___________________________  BANNER ID: ___________________________

The federal government selected your FAFSA for a secondary review process called verification. You indicated on the FAFSA that a household member paid child support. Follow the instructions below to complete verification. Note that if we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as: a copy of the separation agreement or divorce decree that shows the amount of child support to be provided; a statement from the individual receiving the child support certifying the amount of child support received; or copies of the child support payment checks or money order receipts.
