LENS Release for Operation of a State-Owned/Operated/Leased/Rented or CAS Vehicle on State Business

If you are going to apply to use or currently use a State owned/operated/leased/rented or CAS vehicle on State business, please sign and date this form and return it to University Police with a copy of your driver’s license.

By signing this document, you agree to authorize the campus to utilize the DMV LENS program to check your driving record and to share your DMV information with the automotive insurer for vans owned by CAS. Use of the information obtained via LENS is limited by the Driver’s Privacy Protection Act (DPPA).

By applying to use a State owned/operated/leased/rented or CAS vehicle on State business and by signing this form, I certify that I do not have any medical conditions nor am I taking any prescribed or over-the-counter medication that would impair my ability to operate a motor vehicle.
