Gaining momentum, meeting targets and realizing goals – these are phrases not often heard in the last few economically troubling years. But they accurately describe the Plattsburgh College Foundation’s efforts during the last fiscal year (July 1, 2009-June 30, 2010), when in spite of the downturn, the Bright with Promise Campaign reached $12.8 million or 85 percent of its $15 million goal.

Among the many bright spots in 2009-2010 fiscal year:

» Reached a total of more than 9,888 alumni donors supporting the Bright with Promise Campaign. Combined with other donors, that total rises to 14,017.

» Gifts from more than 4,000 alumni to the Plattsburgh Fund went toward:
  • Student scholarships.
  • Improvements to student common areas such as furniture in Beaumont, Champlain Valley Hall, Redcay Hall and the Myers Fine Arts Building.
  • Expanded wireless service in Sibley Hall.
  • Support for the First-Year Experience program.

» More than 400 current, former and retired faculty and staff made gifts totaling more than $135,000.

» The foundation funded more than 600 scholarship awards, totaling $778,901 and including 17 North Country Scholarship awards.

» Received a $250,000 gift from Larry Unrein ’79 and his wife, Eileen. The gift is the largest gift to the endowment from a living alumnus and will support the already endowed Unrein Family Scholarship as well as a new nursing scholarship and the unrestricted Plattsburgh Fund.

These are only a few of the milestones and hallmarks of the year thanks the loyal donors who continue to step up to the plate and the many new donors who have discovered how their support makes a difference in the lives of SUNY Plattsburgh students. With the end of the Bright with Promise Campaign in sight, this support is more critical than ever.

We offer our heartfelt thanks for making a difference in the lives of our students.
Annual Leadership Societies

Membership in a leadership giving society is granted to the alumni, parents, corporations, foundations and friends who have given $500 or more to the college during the 2009-2010 fiscal year.

In addition, the college recognizes young alumni who have graduated in the past five years or within the past 10 years and who have provided annual support at the $250 or $500 level respectively. These donors are honored with membership in the Benjamin F. Feinberg Leadership Giving Society.

The Charles C. Ward Society

The college established the Charles C. Ward Society in 2006 to recognize donors who have made cumulative lifetime gifts of $250,000 or more. SUNY Plattsburgh would like to recognize the leadership and support of the following members:

- C. Thomas “Chip” Cummings ’56
- Frances Black Krinovitz (deceased)
- Jonathan Merrill Allen (deceased)
- Grace Howard Allen
- College Auxiliary Services
- Dr. Richard Semmler ’68
