Helpful Tips

WeComply finds that the modules work best in Internet Explorer. Employees have used Mozilla Firefox as well, but Internet Explorer works best. Do not use Google Chrome. Modules have been found to freeze up when using Google Chrome. Google Chrome is currently working on a solution for this problem.

Be sure your computer’s zoom setting is set at 100%.

Your username is your full Plattsburgh email address as listed in the online directory, https://password.plattsburgh.edu/directory/.

Your password is your last name. Hyphenated names and names with an apostrophe are typed exactly as they should be (Johnson-Smith or O'Reilly).

Round One modules are due by Friday, April 25, 2014.

Reminder emails are scheduled for March 24, April 7, and April 21.

Assignment and reminder emails will arrive at strange hours in the morning, usually around 1-2 a.m.
