As of the date you completed your 2008-2009 FAFSA, what is your total current balance of cash, savings, and checking accounts?

As of the date you completed your 2008-2009 FAFSA, what is the net worth of your investments, including real estate (not your primary home)?
See descriptions below.

As of the date you completed your 2008-2009 FAFSA, what is the net worth of your current businesses and/or investment farms? See descriptions below.

By signing this worksheet I certify that all the information reported is complete and accurate. If false or misleading information is purposely provided on this worksheet, or on the FAFSA, I understand I may be fined, be sentenced to jail or both.

Dependent Student Signature ___________________________ Date ____________
Parent Signature ___________________________ Date ____________

Independent Student Signature ___________________________ Date ____________
Spouse Signature (optional) ___________________________ Date ____________

Net worth means current value minus debt. If net worth is one million or more, enter $999,999. If net worth is negative, enter 0.

Investments include real estate (do not include the home you live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, Coverdell savings accounts, 529 college savings plans, the refund value of 529 state prepaid tuition plans, installment and land sale contracts (including mortgages held), commodities, etc. Investment value means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

Do not include the home you live in, the value of life insurance, retirement plans (pension funds, annuities, noneducation IRAs, Keogh plans, etc.), or cash, savings, and checking accounts already reported above.

Businesses and/or investment farm value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

Do not include the value of a family farm that you (or your parents) live on and operate.
Do not include the value of a small business that you (or your parents) own and control and that has 100 or fewer full-time or full-time equivalent employees.
