Drug Conviction Eligibility Worksheet (2004-2005)

We sent you this worksheet because you left question 31 on your 2004-2005 FAFSA blank, or because you indicated you have a drug-related conviction. Use this worksheet to determine your answer to question 31. Your answer may affect your eligibility for federal student financial aid. If you need help with this worksheet, or have questions, call 1-800-4-FED-AID.

On this worksheet count only federal or state convictions. Do not count any convictions that have been removed from your record, or occurred before you turned 18, unless you were tried as an adult.

   • be administered or recognized by a federal, state, or local government agency or court, or a federally- or state-licensed hospital, health clinic, or medical doctor.

5. Write the date of your last conviction for possessing drugs here (If no convictions for possessing drugs, skip to question 6):  
   ____/____/____

   If you have only one conviction for possessing drugs, add one year to the date in question 5, and write that date here:

   If you have two convictions for possessing drugs, add two years to the date in question 5, and write that date here:

   If you have only one conviction for selling drugs, add two years to the date in question 6, and write that date here:  
   ____/____/____

The most recent date you listed in questions 5 and 6 is your eligibility date. If that date is before July 1, 2004, your eligibility is “1” (eligible for federal aid). If that date is July 1, 2004 through June 30, 2005, your eligibility is “2”, and needs to be reviewed by the Financial Aid Office to determine if and when your federal aid eligibility will begin. If that date is after June 30, 2005, your eligibility is “3” (ineligible for federal aid for 2004-2005). Should you complete an acceptable drug rehab program contact the Financial Aid Office immediately.
