PSU Headcount Enrollment Summaries 2000-2004

Table of Contents

Headcount Summaries ................................................................................................................................................................................... 1
  Total Headcount of Students Attending PSU 2000-2004 ............................................................................................................................ 2
  Total Undergraduate Headcounts 2000 – 2004 ................................................................................................................................. 3
  Total Full-Time Undergraduate Headcounts 2000 – 2004 .................................................................................................................... 4
  Total Part-Time Undergraduate Headcounts 2000 – 2004 .................................................................................................................... 5
  Total Undergraduate Headcounts by Age Group 2000 – 2004 ............................................................................................................... 6
  Total Undergraduate Headcounts by Gender 2000 – 2004 ....................................................................................................................... 7
  Total Undergraduate Headcounts by Race/Ethnicity 2000 – 2004 ...................................................................................................... 8
  Total Graduate Student Headcounts 2000 – 2004 ............................................................................................................................... 9
  Total Full-Time Graduate Student Headcounts 2000 – 2004 ................................................................................................................ 10
  Total Part-Time Graduate Student Headcounts 2000 – 2004 ................................................................................................................ 11
  Total Graduate Student Headcounts by Age Group 2000 – 2004 ..................................................................................................... 12
  Total Graduate Student Headcounts by Gender 2000 – 2004 ............................................................................................................... 13
  Total Graduate Student Headcounts by Race/Ethnicity 2000 – 2004 .............................................................................................. 14

Undergraduate Tables

Section I   PERMANENT RESIDENCE

Section II   AGE GROUP & GENDER

Table 10 – Total Undergraduate Headcount Enrollment by Age Group and Gender 2000–2004 ................................................................. 45
   Graph 10-1 - Total Undergraduate Headcounts by Age Group ......................................................................................... 46
   Graph 10-2 - Total Female by Age Group .......................................................................................................................... 47
   Graph 10-3 - Total Male by Age Group ............................................................................................................................ 48
   Graph 10-4 - Total Full-Time by Age Group ..................................................................................................................... 49
   Graph 10-5 - Female Full-Time by Age Group .................................................................................................................. 50
   Graph 10-6 - Male Full-Time Headcounts by Age Group ................................................................................................... 51
   Graph 10-7 - Total Part-Time by Age Group ..................................................................................................................... 52
   Graph 10-8 - Female Part-Time by Age Group .................................................................................................................. 53
   Graph 10-9 - Male Part-Time by Age Group ...................................................................................................................... 54

Table 11 – All First-Time Undergraduate Headcount Enrollment by Age Group and Gender .......................................................... 55
Graph 14-1 - Total Non-Matriculated Undergraduate Headcounts by Age Group ............................................................... 86
Graph 14-2 - Non-Matriculated Female by Age Group ........................................................................................................ 87
Graph 14-3 - Non-Matriculated Male by Age Group ........................................................................................................ 88
Graph 14-4 - Total Full-Time Non-Matriculated by Age Group .......................................................................................... 89
Graph 14-5 - Full-Time Female Non-Matriculated by Age Group ........................................................................ 90
Graph 14-6 - Full-Time Male Non-Matriculated by Age Group ......................................................................................... 91
Graph 14-7 - Total Part-Time Non-Matriculated by Age Group .......................................................................................... 92
Graph 14-8 - Part-Time Female Non-Matriculated by Age Group ....................................................................................... 93
Graph 14-9 - Part-Time Male Non-Matriculated by Age Group .......................................................................................... 94

Table 15 - Total First-Time Non-Matriculated Undergraduate Headcount Enrollment by Age Group and Gender 2000 – 2004 ................................. 95
Graph 15-1 - Total First-Time Non-Matriculated Undergraduate Headcounts by Age Group ............................................................... 96
Graph 15-2 - First-Time Non-Matriculated Female by Age Group ...................................................................................... 97
Graph 15-3 - First-Time Non-Matriculated Male by Age Group ............................................................................................ 98
Graph 15-4 - Total First-Time, Full-Time Non-Matriculated by Age Group ........................................................................ 99
Graph 15-5 - First-Time, Full-Time Female Non-Matriculated by Age Group ................................................................. 100
Graph 15-6 - First-Time, Full-Time Male Non-Matriculated by Age Group ........................................................................ 101

Section III RACE / ETHNICITY

Table 16 – Total Undergraduate Credit Course Student Headcounts by Race/Ethnicity 2000 – 2004 ................................................................. 103
Graph 16-1 - Total Undergraduate Credit Course Student Headcounts by Race/Ethnicity ................................................................. 104
Graph 16-2 - Total Full-Time Students by Race/Ethnicity .......................................................................................................................... 105
Graph 16-3 - Total Part-Time Students by Race/Ethnicity ......................................................................................................................... 106
Graph 16-4 - Total First-Time Students by Race/Ethnicity ......................................................................................................................... 107
Graph 16-5 - Full-Time, First-Time Students by Race/Ethnicity ................................................................................................. 108
Graph 16-6 - Part-Time, First-Time Students by Race/Ethnicity ................................................................................................. 109
Graph 16-7 - Total Transfer Students by Race/Ethnicity .......................................................................................................................... 110
Graph 16-8 - Full-Time Transfer Students by Race/Ethnicity ................................................................................................. 111
Graph 16-9 - Part-Time Transfer Students by Race/Ethnicity ................................................................................................. 112
Graph 16-10 - Total Continuing & Returning Students by Race/Ethnicity ........................................................................................... 113
Graph 16-11 - Full-Time Continuing & Returning Students by Race/Ethnicity .......................................................................................... 114
Graph 16-12 - Part-Time Continuing & Returning Students by Race/Ethnicity .......................................................................................... 115
Section IV  HEADCOUNT BY PROGRAM

Listing of PSU Undergraduate Programs with PSU Major Code, APIS Code, SED Code, HEGIS, CIP, & Dept Code.................116
