End of Semester Reflection

Did this course meet your expectations for what you wanted to accomplish this semester?

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

Are there any assignments or testing that should be re-tailored?

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

Did the organization of the course material work effectively?

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________
How was the student dynamic? (Did students come to class prepared? Did they participate in class discussions? Did they attend?) What could be changed to make it better?

____________________________________________________________________________

____________________________________________________________________________

____________________________________________________________________________
