SUNY Plattsburgh strives to provide a top-notch and affordable educational experience. Our work in this regard has been recognized by Kiplinger’s Personal Finance Magazine; the college has repeatedly been named a “best value” for its mix of academic quality, financial aid opportunities and total cost.

Fees are an important aspect of providing “the Plattsburgh experience.” General fees are in addition to the cost of tuition, room and board but serve to enhance the services and opportunities for students. From health insurance to recreational opportunities to technology resources, these fees are essential for students and are required costs of enrollment at SUNY Plattsburgh.

COLLEGE FEE

The college fee is a SUNY system-wide fee and is mandatory for all students.

COURSE-RELATED FEES

These fees are dependent on course selection by semester. Please refer to the master schedule.

PLACEMENT FEE

The placement fee is mandatory for new full-time freshmen. It supports student assessment and placement testing in English and mathematics.

HOSPITAL INSURANCE

Accident and sickness insurance is mandatory for full-time students, but all students are eligible to participate. If you are already covered under a personal insurance plan or are a dependent under a family plan, sign the hospital insurance waiver on your bill. Contact Michelle Lamoy, student insurance representative, at 518-564-2098.

INTERCOLLEGIATE ATHLETIC FEE

This is a mandatory fee for students who are enrolled in at least one course on the main campus. It supports the operational expenses of the Intercollegiate Athletic Program. Payment of this fee allows for free admission to all seasonal games based on seating capacity. Students who fall into the following categories, however, are exempt from this fee and can deduct it from their bills:

- Students registered in programs requiring that they be away from the Plattsburgh campus (such as student teaching, study abroad, internships, co-ops, branch campus students; and those students taking all independent study courses).
- Employees of SUNY Plattsburgh or the Research Foundation who are enrolled in classes (excludes graduate assistants and dorm assistantships).
- Students enrolled in three credit hours or less who commute more than 35 miles each way to campus.

Extraordinary requests for exemption can be made to the dean of students. Refund requests must be made within 30 days of the first day of the semester. Contact the Office of the Dean of Students at 518-564-3282 or email matthesp@plattsburgh.edu.

STUDENT ASSOCIATION FEE

This fee applies to all matriculated students. The Student Association uses these funds for:

- Academic organizations and the activities coordination board.
- Art, cultural and media programs and organizations.
- Recreational opportunities.
- Religious organizations.
- Student Association employees and administration.
- Service and social movement organizations.

In certain circumstances, partial refunds may be requested from the Student Association, located in Angell College Center. Refund requests must be made within 30 days of the first day of the semester. Contact Melanie Wyand at 518-564-3200 or email wyandmw@plattsburgh.edu.

Questions regarding any of these college fees should be directed to the department connected to that fee. See inside for details.
